

"A La Carte" format will again be offered this year. Sailors must participate in a minimum of two one-week sessions, but the weeks do not have to be sequential. **Registration will be limited to HYC members until April 17.**

Sailors should arrive promptly and bring a Coast Guard approved Type III/vest style life jacket with a whistle attached, sunscreen, a water bottle, towel and closed-toe water shoes with arch straps and heel straps or an old pair of sneakers – (no crocs, flip-flops or open-toe tevas). Sunglasses and hat optional. Open to all levels ages 8-18.

BEGINNER OPTI CLASS

The 2011 beginner class is for students who have little or no experience on the water. Course includes basics of rigging a boat, sailing fundamentals, basic boat handling, seamanship (knots, weather, etc.), water safety and sportsmanship. Students may participate in Junior Regattas in Opti and 420 fleets. Must be 8 years old or older.

Generally, children 8 through 12 are in opti's and older students are in 420's. Exceptions may be considered based on size, age and skill at the instructor's discretion. Children must be 8 years old by August 31 to participate.

INTERMEDIATE OPTI CLASS

This program is designed for sailors who have completed the beginner level course and might be considering racing. The course will revisit basics taught in the beginner class. Students will sail longer and more challenging courses all while building confidence in their skills and knowledge for a lifetime of fun on the water!

420

The 420 class is the most advanced program for junior sailors. Sailors are taught the fundamentals of racing, including but not limited to: boat speed, boat handling, strategy and tactics, and use of trapeze and spinnakers.
